Wedding Rates

I would love the opportunity to photograph your wedding. I will give you beautiful photos that will remind you of this special day, as well as provide you with images that you can share with friends and family.

I charge \$50/hour to cover the rehearsal dinner, wedding ceremony, and/or reception. A minimum of four hours must be booked, and I require a minimum \$200 deposit, due upon booking, which is non-refundable. A signed contract confirms the booking. Whether I photograph the rehearsal dinner or not, I will attend the ceremony rehearsal to take test photos and know the order of service. This is to help me be prepared to get all the important shots.

There are no travel charges for weddings within 20 miles of St. Albans, but beyond that I charge \$50/hour. Overnight stays are an additional \$100/night.

The following packages have been assembled for convenience, but I will customize a package to your preferences and/or budget.

Each package includes a suede hardcover book. You can choose from 8" square, 10" square, or 8 1/2" x 11", and gold or silver foil stamping is available for an additional \$10. The basic book has 20 pages, with additional pages added in increments of two at \$1 each, to a maximum of 50 pages.

Another option, instead of the suede hardcover book, is to get a custom hard or soft cover book. If you are interested in this option, just ask and I'll look into pricing.
